Attorney Jurusik stated the Board can go into Executive Session at any time and it does not have to be on the agenda. He stated the Clerk’s office confirmed the motion was repeated by the mayor and it was a valid one. Attorney Jurusik stated while the IDNR attorney originally stated the dollars where for unused grant funds, she clarified the requested funds are reimbursement to the State for the salaries of the additional youth hired during the program outside of the grants one hundred (100) youth maximum guidelines. He stated violations occurred three (3) times and upon preparing for the February 19, 2015, hearing in Springfield, Attorney Jurusik stated Chief Talley found another file which uncovered six (6) additional violations.
