11. New Business:

A. Consideration to approve the Fire and Police Commission's Assistant to work 25 hours a week at a pay rate of $13.00 per hour.

MOTIONED BY TRUSTEE DORRIS AND SECONDED BY TRUSTEE LIGHTFORD CONSIDERATION TO APPROVE THE FIRE AND POLICE COMMISSION’S ASSISTANT TO WORK 25 HOURS A WEEK AT A PAY RATE OF $13.00 PER HOUR.

Discussion: Trustee Brandon sought clarification on the current individual’s position being that of an employee or a contractual worker. He stated his concerns over issues brought up by the Human Resources Coordinator and asked the Board to consider these issues, sought advice from council, and clarification on the initial hourly pay. Attorney Jurusik stated his take on the memo
from the Human Resource Coordinator to the Village Manager dated May 28, 2015, is that the individual is a contractual employee and as such, not entitled to benefits, paid on an hourly basis, subject to pay increases at the discretion of the manager, and subject to budgetary constraints by the Village Board. He stated contracts are to be approved by the Board so this is a matter where the Manager and the Board need to get together. Trustee Dorris requested a copy of the contract and asked whose decision it was that this be a contractual position. Mr. Norfleet stated there is no contract and the current budget was approved with a 20 hour work week at $12.00 per hour. He stated a requisition came in on the first week of the fiscal budget indicating more hours at a higher rate of pay, in which he approved the number of hours worked for the period but not the increase in pay, and continued to address the issue. Trustee Rogers requested a contract be prepared, with terms of separation included and presented to the Board for approval. Ms. Dunbar stated the initial pay for this position was $12.00 per hour base on what was being paid to college interns, it was the Village Manager at the time who made the decision on the contractual arrangement, and contractual payments come out of accounts payable and not Human Resources. Additional comments, questions and/or concerns were made/raised by Mr. Norfleet, Ms Dunbar, Trustee(s) Yarbrough, Brandon, Dorris, Rogers, Lightford, and Rivers. An amended motion follows.

Discussion: Trustee Brandon sought clarification on the amount of funds within the TIF. Ms. Satchell stated while there is a deficit in the fund, there is money in the account for smaller payments such as this. Mayor Perkins asked if we would be able to get reimbursed by the owners that left the tanks there. Mr. Norfleet stated he believed we purchased the property as is making it our responsibility for the cleanup.
