C. Finance Management Report(s):

Discussion: Trustee Brandon questioned line items 01-19-58000 (health insurance), 01-53-40200 (all overtime), 01-56-59100 (liability insurance) and 01-60-40100 (straight time – youth). Trustee Rivers questioned what line item the summer abatement program will be put into. Ms. Satchell stated the line item for health insurance is being worked on for it is a liability but is shown as an expense, and confirmed it is not close to being over budget. She also stated liability insurance is paid out of the corporate fund and the water fund so this is only a portion of the payments that are on track with the budget. Ms. Satchell noted summer abatement will be found on line item 01-53-524000 (contractual services) in the June report. Mr. West stated the overtime is due to events at the 200 building, summer abatement, maintaining village property, the prairie path and the parks not with the park district. Mr. Norfleet noted the straight time – youth started in June and the report is through May 31, 2016.

Discussion: Ms. Satchell noted the balance on the accounts will be significantly lower after this meeting due to the lack of meetings and the time between expenditure approvals. Trustee Dorris noted the Mayors name next to an account. Ms. Satchell explained due to attempted duplication of checks, the bank asked us to open another account and her name is just how it is being distinguished from another. Attorney Jurusik suggested it be changed with another designation for it is subject to the Freedom of Information Act (FOIA) and raises questions as to what the funds are for.

9. Old Business:

A. Relocation of the Mayor’s Office
Trustee Brandon reiterated his dissatisfaction with the location being arranged for the relocation of the Mayor’s office noting how the Village will be perceived, the Mayor having not been brought into the conversation regarding the space, the lack of professionalism by not allowing space for the Mayor to meet privately with anyone, and noted his suggestions for a more appropriate space. Trustee Dorris noted the matter of moving the Mayor’s office has been in the works for three years and that residents should be able to meet with all officials/department heads in the same building. Trustee Rogers noted the 40 Madison building was not built for administrative offices, is not a good first impression for anyone and is currently being misused, and offered his suggestion of a better location which should include offices for Trustees.
10. Omnibus Agenda

A. MOTIONED BY TRUSTEE ROGERS AND SECONDED BY TRUSTEE LIGHTFORD FOR THE APPROVAL OF THE OMNIBUS AGENDA ITEMS A – LL BARRING ANY EXCEPTIONS

Discussion: Trustee Dorris requested Items Y, GG and II be pulled from the agenda. Mayor Perkins requested Item E be pulled from the agenda. An amended motion follows.

MOTIONED BY TRUSTEE ROGERS AND SECONDED BY TRUSTEE LIGHTFORD FOR THE APPROVAL OF THE OMNIBUS AGENDA ITEMS A – LL WITH THE EXCEPTION OF ITEMS E, Y, GG, AND II.

Discussion: Trustee Dorris noted she needed more clarity on Item CC and requested Mr. Norfleet have someone from the state come out at a future Board meeting to clarify steps that may need to be taken by a future developer. Trustee Rivers sought the opinion of the attorney who stated if there are reservations about an item one needs to make a motion to amend the current (amended) motion. After various attempts to clarify what was being sought, a subsidiary motion follows.

MOTIONED BY TRUSTEE RIVERS AND SECONDED BY TRUSTEE LIGHTFORD TO REMOVE ITEM CC FROM THE OMNIBUS AGENDA VOTE AND TO BE DISCUSSED AT A LATER TIME IN THE BOARD MEETING FOR CLARIFICATION AND/OR RATIFICATION OR APPROVAL.

Additional Discussion: Trustee Rogers noted in regards to landmark status, various state, county and local
government representatives have been here in the past on this project (225 N. 1st. Ave.) indicating this status
only enhances the property. He also noted developers, along with the Community Development and Code
departments, and the Historic Preservation Commission, know how to handle these properties to make them
their best.

B. Item E – Approval of payment to City of Chicago - Department of Water for water services from April

Discussion: Mayor Perkins questioned if the Village was behind on their payments. Ms. Satchell stated the
Village is behind due to the timing of receiving the statements and the Board’s summer schedule but that this
payment would bring us up to date. Mr. Norfleet added that the City of Chicago will not be increasing the cost
of water to the Village this year.

Note: Draft Version: The form of the referendum question is not statutory so it can be modified if desired; A certified copy of the Resolution with the final approved version of the referendum question is filed with the Cook County Clerk’s office, Election Department).

Discussion: Trustee Brandon noted his desire to extend this date to the April 2017 election in order to have town hall meetings throughout the community. Attorney Jurusik noted the date can be moved but advised that national elections have the bigger voter turnouts thereby giving the Village a larger opinion. He also noted Village elected officials and employees can not advocate for or against any referendum because it is a violation of the election code and a felony. He noted one can disseminate factual information via newsletters and town hall meetings but caution needs to be had for it is a serious violation otherwise.

Discussion: Trustee Rivers sought clarification on what the status of the currently approved license holder would be should this be approved and noted he did not want the Clerk’s office to accept any other applications. The attorney confirmed any currently approved licenses would be allowed to keep their license as long as they meet the conditions of the Ordinance and the Clerk has to accept and process all applications. Trustee Rogers noted the Ordinance indicates only one Class M License for one applicant at one address and that any new licenses still needs to be approved via an ordinance. Trustee Dorris requested staff provide options on how the Village may inform the public of the Referendum. Trustee Brandon reiterated his concerns over things being done out of order compared to other communities.

Attorney Jurusik reviewed the agreement and highlighted the cameras that will remain and those that will be removed and the resetting of sums owed to ATS to zero. Mr. Norfleet explained the if a certain amount of revenue from the cameras has not been received to offset the cameras and maintenance, the Village is not subject to pay ATS for those costs and the Village retains any additional revenues outside of ATS cost incurred to run the program.
