Discussion: Trustee Dorris requested Trustees ensure applicants understand what commission they are being recommended for. Clerk Mims noted the reference to the Maywood Housing Authority should have been crossed out after clarification was made on the recommended commission for Mr. Villegas. Trustee Lightford noted his concerns regarding appointments, lack of various commission meetings and short notice on recommendations in which he could not continue to vote for. Mayor Perkins stated Commissions will be submitting their minutes to the Manager’s and Clerk’s office, it is not for her to monitor meeting schedules, there has been an appointment recommended by Trustee Lightford and she spoke with Mr. Walker regarding the Economic Development Commission meetings.

B. Manager’s Report:

1. Consideration for Charles Smith and Sandra Drake at CS Insurance Strategies to discuss the insurance renewal projections for the Village of Maywood.
Mr. Charles Smith and Sandra Drake of CS Insurance Strategies presented their proposal for the upcoming health insurance renewal period. They noted a loss ratio of 31% in 2013, to a loss ratio of 96% in 2015, which is the contributing factor for a 10% increase to the Village negotiated down from a 14.27% increase, and noted other attempts for quotes came back non-competitive. They noted the need for a wellness program which would include bio-metric screenings they hope to extend to the community at large, and the recommendation to move the network to the Blue Cross Select PPO. Details are available upon request at the Clerk’s office.

Discussion: Trustee Rivers questioned if referrals would be needed. Mr. Smith noted this would be a seamless transition between networks. Trustee Rogers questioned how soon they would be able to setup the information sessions, wellness rush and the pool event. Ms. Drake stated the information sessions could take place throughout the month of March and into April. Mr. Smith stated the “wellness rush” is open enrollment which they would take care of first, then a summer event for the community. Trustee Dorris questioned if notes will be put in with the employee checks. Mr. Smith noted there will be no changes to the insurance the employees receive unless they choose to participate in the new network. Mr. Norfleet stated an open house forum will be held. Mr. Smith noted life insurance will be offered with the opportunity to purchase life insurance up to $150,000.00 including the ability to purchase for immediate family members. Trustee Rivers questioned if there is a cost factor in not participating in the wellness program. Mr. Smith stated not at this time but should be implemented in the future using the example of $50 toward monthly premiums.

2. I290 Update
Mr. Myers noted the second Advisory Working Group meeting took place on February 25th with Illinois Department of Transportation (IDOT) presenting various options and indicating they will have new proposals at the next meeting taking place on Thursday, March 24, 2016 at 6:00 at the Multi-purpose Building. Mr. Myers also noted a joint meeting will be held with IDOT, Staff, the Mayor and one Trustee at Meal of the Day Café in the Eisenhower Tower on Thursday, March 10, 2016 at 2:00 p.m. Note: This matter was discussed prior to Item 5A.

Discussion: Trustee(s) Lightford and Dorris noted they were in attendance at the meeting and noted their position of keeping all ramps open.

MOTIONED BY TRUSTEE BRANDON AND SECONDED BY TRUSTEE DORRIS TO APPROVE THE MINUTES FOR THE VILLAGE BOARD OF TRUSTEE'S MEETING FOR TUESDAY, FEBRUARY 16, 2016.
Discussion: Mayor Perkins questioned Item C5, first sentence regarding, "... the Village is now caught up on all outstanding audits." Ms. Satchell stated this was correct regarding all our financial audits. Mayor Perkins further questioned about the Tax Increment Financing (TIF) Districts not being turned in on time. Ms. Satchell stated all are completed and filed, noting the only outstanding audits are single audits pertaining to grant money in 2013.

A. Warrant List No. 200407 for the Village of Maywood - Expenditures total through February 25, 2016, in the amount of $504,929.86.

MOTIONED BY TRUSTEE DORRIS AND SECONDED BY TRUSTEE YARBROUGH TO APPROVE WARRANT LIST NO. 200407 FOR THE VILLAGE OF MAYWOOD - EXPENDITURES TOTAL THROUGH FEBRUARY 25, 2016, IN THE AMOUNT OF $504,929.86.
Discussion: Trustee Brandon questioned check #88075 (Phillip Seed) and asked when the event took place. Mr. Norfleet responded this event took place in February and that invitations were drawn up. Mayor Perkins questioned check #88055 (Clavio's Café) stating the check request was for approximately $400.00 not $874.50. Ms. Satchell stated the Mayor's request was for $400.00 but the company invoiced the Village because the other party had not paid the balance and that Trustee Brandon is in receipt of a check made payable to Clavio's from the partnering sponsor. Trustee Brandon stated he spear headed the event but this was a joint effort between the Mayor and Oak Street Health and the invoice submitted was submitted by the Mayor with the check request. Mayor Perkins, Attorney Jurusik, Ms. Satchell, Trustee(s) Dorris, Rivers, Brandon, Lightford and Yarbrough made additional comments, questions or concerns.

Discussion: Trustee Dorris questioned if waivers were in place. Trustee Rogers requested an update noting he will be at the convention and willing to assist with the Youth Delegation. Trustee Brandon noted all has been arranged, including training, chaperones, necessary paperwork hand delivered to the parents, with all outstanding items scheduled to be completed by Friday. Mayor Perkins made note this program has been in place for years and this is the first time a Trustee has ever tried to do something for our youth. B. Over Budgeted Items
Mayor Perkins noted a report placed in a yellow envelope on the daas of items not reviewed or signed off by the Mayor and Trustee’s office that indicate various charges which she did not submit, such as $16,120.00 for video recording, $496.83 for audio recording, and $297.50 for phone service, because these items are not associated with the Mayor and Trustees. Note: This item was discussed after Item 10A

Discussion: Trustee Rogers reminded the Mayor that this topic was moved for discussion at the next LLOC. He also noted the difference between personal allotments, which he is not interested in managing, and items that impact the totality of the Board, in which he feels must be handled by the Board. Mayor Perkins noted she wanted to submit this information to give everyone a chance to review it prior to the meeting.

C. Street Cameras
Chief Talley offered his apologies for bringing this up at this time but he just received an updated report that has been of interest to the residents and it concerns contract renewal which is up today. He called up Chris Moomey of Current Technologies, Inc. to read a report, effective February 29, 2016, on the system status that includes 69 cameras, with 63 cameras being active. He noted cameras at Lake St. and First Avenue are inoperable due to a pole being knocked down with power not available at another and 13 other cameras that are covered under the agreement need to be replaced but are partially functioning. Mr. Moomey noted the reason he came to the meeting is to inform the Board that the Village is behind by 4 months in paying on the maintenance agreement and that his company will be proceeding to terminate the contract in which the Village would have to pay for replacement parts and services. Note: This item was discussed after Item 11.

Discussion: Mayor Perkins stated she was unaware of the lack of payment. Attorney Jurusik stated he would have to take a look at the contract but reiterated the situation as outlined by Mr. Moomey noting he was sure there was a termination provision for both parties. Mayor Perkins and Trustee Yarbrough stated the Board had approved payments. Mr. Norfleet stated he was aware they were behind in the payments but did not know how far.
MOTIONED BY TRUSTEE DORRIS AND SECONDED BY TRUSTEE ROGERS TO MOVE THIS MATTER TO THE NEXT LLOC MEETING FOR FURTHER DISCUSSION AND WITH STAFF RECOMMENDATIONS.
