**WHEREAS**, pursuant to the Act, the Village established the St. Charles Road Special Tax Allocation Fund (the "TIF Fund") into which annual tax increment revenue from the Project Area have been deposited (the "TIF Funds") and from which expenditures have been and will continue to be made for eligible TIF redevelopment project costs, as authorized by the Act and in accordance with the Village-approved Redevelopment Plan and Budget for the Project Area (the "Plan"). The Corporate Authorities have determined that, in order to encourage private investment and restore and enhance the tax base of the Village and the affected taxing districts, certain blighting and adverse conditions within the Project Area must be removed, certain infrastructure improvements must be made, and the Project Area must be redeveloped. A copy of the Plan is on file with the Village Clerk's Office and is incorporated by reference into this Ordinance; and

**WHEREAS**, under Ordinance No. CO-2013-20, approved at a public meeting on March 13, 2013, the Corporate Authorities extended the estimated date of completion of the Plan, and the estimated date of the retirement of all obligations incurred to finance redevelopment project costs as defined by the Plan, to December 31, 2013, subject to receipt and expenditure of 2013 incremental real estate tax revenues during calendar year 2014; and

Based on the recommendation of Village staff and the Village Engineer, the Corporate Authorities approved the deposit of **Seven Million One Hundred Sixty-Nine Thousand Nine Hundred Ninety and 12/100 Dollars (\$7,169,990.12)**, which constituted the Remaining TIF District Projects and Close Out Expenditures, into one or more construction escrows at Chicago Title Insurance Company. The Corporate Authorities also stated that once the Village's obligations are fully satisfied, the balance of the escrowed TIF Funds to pay for the Remaining TIF District Projects and Close Out Expenditures shall be declared "surplus" TIF Funds by adoption of an ordinance by the Corporate Authorities, and such surplus TIF Funds shall be promptly delivered to the Cook County Treasurer for payment to the taxing districts impacted by the St. Charles Road TIF District Redevelopment Project Area, in the same manner and proportion as the most recent distribution by the Cook County Treasurer to those taxing districts of real property taxes from real property in the St. Charles Road TIF District Redevelopment Project Area in accordance with Section 5/11-74.4-8 of the Act (65 ILCS 5/11-74.4-8); and

**WHEREAS**, after completing and paying for certain Remaining TIF District Projects and Close Out Expenditures in regard to Escrow Number 6 (Escrow Account Number 201454334), there is a balance of TIF Funds equal to \$741,813.40, as of July 19, 2018. A copy of Chicago Title Insurance Company's Office Escrow Ledger Card dated July 19, 2018 for Escrow Number 6 (Escrow Account Number 201454334) is attached hereto as Exhibit "A" and made a part hereof. The Chicago Title Office Escrow Ledger Card contains a summary of the TIF Funds initially deposited by the Village into the Escrow Account and a list of the withdrawals from the Escrow Account by date, payee/payor, and withdrawal dollar amount and retained balance of TIF Funds in the Escrow Account; and

**WHEREAS**, the Corporate Authorities of the Village make the following findings in regard to Escrow 6 (Escrow Account Number 201454334) and the current balance of funds:

- (a) The Village's obligations are not fully satisfied in regard to all of the Remaining TIF District Projects and Close Out Expenditures, specifically the Economic Development Projects, which are being funded by Escrow Number 6 (Escrow Account Number 201454334), and it is necessary and essential to retain adequate TIF Funds in Escrow Number 6 (Escrow Account Number 201454334) to pay for its obligations as they come due. The Economic Development Projects are expected to be completed by the end of calendar year 2019 and the final payments by the Village in regard to the Project improvements are anticipated to be finalized by the end of calendar year 2019;
- (b) The Village desires to extend the term of Escrow Number 6 (Escrow Account Number 201454334) until December 31, 2019, in order to pay for the Remaining TIF District

Projects and Close Out Expenditures to be incurred as part of completing the Escrow 6 Economic Development Projects and to pay for any Remaining TIF District Projects and Close Out Expenditures, including all Village TIF Administration Costs and Fees and Professional Fees related to any remaining Escrows;

- (c) The current balance of funds in Escrow Number 2 (Escrow Account Number 201454330) is not adequate to pay for the completion and close out of the Village Train Station Project and so it is necessary for Escrow Number 2 (Escrow Account Number 201454330) to receive a transfer of funds from Escrow Number 6 (Escrow Account Number 201454334) equal to \$65,000.00;
- (d) The current balance of funds in Escrow Number 4 (Escrow Account Number 201454332) is not adequate to pay for the completion and close out of the Village Projects and so it is necessary for Escrow Number 4 (Escrow Account Number 201454332) to receive a transfer of funds from Escrow Number 3 (Escrow Account Number 201454331) equal to \$1,513.24; and

**WHEREAS**, it is desirable and in the best interests of the residents, businesses and property owners of the Village for the Corporate Authorities to authorize and direct the transfer of TIF Funds from Escrow Number 6 (Escrow Account Number 201454334) as described above, to retain adequate TIF Funds in Escrow Number 6 (Escrow Account Number 201454334) to pay for its obligations as they come due, to extend the term of Escrow Number 6 (Escrow Account Number 201454334) until December 31, 2019 and to pay for the Remaining TIF District Projects and Close Out Expenditures that are being funded by Escrow Number 6 (Escrow Account Number 201454334).
