WHEREAS, such an ordinance must establish the standards to be relied upon for the Village President to determine when a state of emergency exists; and

WHEREAS, Section 8-10-5 of the Illinois Municipal Code (65 ILCS 5/8-10-5) provides that, after an emergency affecting public health or safety has been declared by affirmative vote of the majority of the corporate authorities of a municipality, where the nature of the danger to the public health or safety has been identified, the corporate authorities may authorize the letting of contracts to the extent necessary to resolve such emergency without public advertisement.
