

COVID-19 CASES IN THE VILLAGE OF MAYWOOD

This is a communication to the General Public in the Village of Maywood.

On Friday, March 20, 2020 there was one confirmed case that a resident has contracted the COVID-19.

On Tuesday, March 24, 2020 another resident was transported to a hospital with COVID-19 symptoms.

I am not permitted to name the people nor state where they live.

The Village of Maywood is providing you this notification so that you will realize that this is a serious situation. Please take all the necessary precautions to be safe.

I will continue to update the Public with the email blast. Thank you.
