TYPICAL PLAN COMMISSION/ZONING BOARD OF APPEALS PROCESS

1. Preliminary Meeting with Community Development Staff
   A preliminary meeting with Community Development (“CD”) staff should be scheduled to discuss the proposed project and to outline the Plan Commission/Zoning Board of Appeals (“PC/ZBA”) process. At this meeting the petitioner will receive preliminary feedback of the proposal based on the planning documents, policies and Zoning Regulations of the Village of Maywood. A concept plan consisting of scaled sketches, existing and proposed site data and preferably a site photo should be available for review by CD staff.

2. Submittal of Preliminary Plans
   Following the preliminary meeting with staff, the petitioner should submit ten (10) full-sized collated packets of plans for Staff Technical Review Committee (“TRC”) review. One additional set at no larger than 11” by 17” shall be submitted for distribution purposes to the various departments for review (see Petitioner’s Submittal Checklist).

3. Technical Review Committee
   Within three weeks of receiving your complete preliminary submittal, the Staff Technical Review Committee will review your petition and send you a written summary of suggested revisions or additional information that is required to proceed through the PC/ZBA process. You may then be required to resubmit additional information and/or revised plans for further review.

4. Village Board Review
   All Village owned properties and economic development projects, Special Use, PUD, rezoning requests and significant number of variation requests, projects with a history of denials must first be reviewed by the Village Board at an LLOC meeting prior to going to the Village’s Plan Commission/Zoning Board of Appeals process.

5. Final Submittal for Public Hearing
   Following the Staff Technical Review Committee review, ten (10) additional full-sized copies of final revised plans and one reduced (11”x17”) copy must be submitted by, the deadlines date of the attached schedule, prior to the anticipated public hearing along with three original signed copies of the Petition for PC/ZBA application form (contact CD staff to confirm the hearing date). Prior to submitting all application materials, the petitioner may choose to submit one complete set of application materials and plans to CD to ensure that they are in compliance with submittal requirements.

6. Plan Commission/Zoning Board of Appeals Hearing
   When issues from all departmental reviews are resolved, a PC/ZBA hearing is scheduled and noticed. The Village will place a notification sign on the subject property and place a public hearing notice in the local newspaper. It is the petitioner’s responsibility to mail notification letters to all property owners within 250 feet of the property. The report of the Technical Review Committee will be available prior to the PC/ZBA Meeting. The PC/ZBA holds a Public Hearing at which the petitioner makes a formal presentation to the Commission and answers any questions concerning the proposal (see General Procedures for Public Hearing). The PC/ZBA will make a motion forwarding findings and a recommendation to the Village Board.

7. Village Board Workshop/Meeting
   For those petitions requiring Village Board action, following the recommendation by the PC/ZBA, the petition will be scheduled for a Village Board Legal, License and Ordinance Committee (LLOC) meeting, (typically within 60 days after the PC/ZBA hearing). The PC/ZBA findings of fact and recommendation is drafted and forwarded to the Village Board for review along with copies of all application materials and a transcript of the PC/ZBA hearing. At the LLOC meeting, the petitioner may present the project to the Village Board, and staff will present the findings of the PC/ZBA. Following the LLOC meeting, the petition will be placed on the agenda of a regular meeting of the Village Board for consideration. The Village Board makes the final decision on the proposal and is the only Village body that can legally do so.
