Re: 2017 PY Cook County CDBG Project
20th Avenue (Madison Street to Washington Boulevard)
and Warren Street (19th Avenue to 17th Avenue) Improvements Project

In Spring of 2017, the Village submitted a CDBG Project application requesting $400,000 in
grant funds. The Village has been allotted $300,000 in grant funds.

The Village has the option of adding an additional $100,000 in matching funds or reducing the
length of the project to avoid requiring additional matching funds. After discussing this issue
with Staff, we have revised the project limits as follows:

20th Avenue (Madison Street to Washington Boulevard), and Warren Street (19th Avenue to 17th
Avenue)

The original project application had also included the section of roadway along Warren Street
from the west Village limits to 19th Avenue. That section of Warren Street will be removed
from this year’s project until other grant dollars become available. Note that the revised
project will require total matching funds of $451,000, as indicated in Exhibit E within the
Subrecipient Agreement.

A similar situation was experienced last year when $400,000 was requested and $240,000 was
received. As a result, 18th Avenue from Madison Street to Washington Boulevard was removed
from the CDBG project. However, the Village was fortunate to be able to receive an additional
Infrastructure Grant from Cook County in order to construct 18th Avenue.
Scope of Project
The revised project to be constructed with 2017 CDBG funds consists of the repaving of approximately 1,200 feet of 20th Avenue from Madison Street to Washington Boulevard, as well as the reconstruction of approximately 600 feet of Warren Street from 15th Avenue to 17th Avenue. The improvements will include full removal and replacement of the concrete curb and gutter and driveways, replacement of deteriorated sidewalk, installation of ADA compliant roadway crossings, repair/replacement of utility structures, milling of the existing pavement, patching of the existing concrete base as necessary, placement of hot-mix asphalt level and surface course mixes, reconstruction of pavements, landscape restoration, pavement markings and other appurtenant improvements.

Action
The Village will need to approve a resolution approving the subrecipient agreement, provide two (2) copies of the signed subrecipient agreement, as well as complete FFATA forms and submit the entire package to Cook County CDBG offices. The resolution will need to be approved no later than the November 21st BOT meeting.

Upon approval of the resolution and CDBG subrecipient agreement, Hancock Engineering will then bring forward engineering agreements to the Village.

Please call with any questions.

The County shall be exempt from payment of all Unemployment Compensation, FICA, retirement, life and/or medical insurance and Workers Compensation Insurance, as the Subrecipient is an independent contractor.

The Subrecipient agrees that funds provided under this Agreement will not be utilized for inherently religious activities prohibited by 24 CFR 570.200(j), such as worship, religious instruction or proselytization.

14. **Environmental Conditions**

A. **Air and Water**

The Subrecipient agrees to comply with the following requirements insofar as they apply to the performance of this Agreement:

- Clean Air, 42 U.S.C., 7401, et seq;

- Federal Water Pollution Control Act, as amended, 31 U.S.C., 1251, et seq, as amended, 1318 relating to inspection, monitoring, entry, reports, and information, as well as other requirements specified in said Section 114 and Section 308, and all regulations and guidelines issued thereunder.

The Subrecipient agrees that any construction or rehabilitation of residential structures with assistance provided under this Agreement shall be subject to HUD Lead-Based Paint Regulations at 24 CFR 570.608, and 24 CFR Part 35, Subpart B. Such regulations pertain to all CDBG-assisted housing and require that all owners, prospective owners, and tenants of properties constructed prior to 1978 be properly notified that such properties may include lead-based paint. Such notification shall point out the hazards of lead-based paint and explain the symptoms, treatment and precautions that should be taken when dealing with lead-based paint poisoning and the advisability and availability of blood lead level screening for children under seven. E. **Debris and Hazardous Substances**

The Subrecipient shall not allow any contractor, subcontractor or other party to conduct any generation, transportation, or recycling of construction or demolition debris, clean or general or uncontaminated soil generated during construction, remodeling, repair and demolition of utilities, structures, and roads that is not commingled with any waste, without the maintenance of documentation identifying the hauler, generator, place or origin of the debris or soil, the weight or volume of the debris or soil, and the location, owner and operator of the facility where the debris or soil was transferred, disposed, recycled or treated.

The Subrecipient agrees to defend, indemnify and hold the County and its Officers, employees and agents harmless from and against, and shall reimburse the County for, any and all losses, claims, liability, damages, costs, and expense including but not limited to reasonable legal defense costs, attorney's fees, court costs, environmental consultant's fees and advances, settlements, judgments, judgment interest, prejudgment interest or post-judgment interest, for actions or causes of action, economic loss, injunctive relief, injuries to person, property or natural resources, arising in connection with the discharge, escape, release, or presence of any Hazardous Substance at or from the property whether foreseeable or unforeseeable, regardless of the source of such release or when such release occurred or such presence is discovered and whether such discharge, escape, release, or presence of any Hazardous Substance at or from the Property is by an affirmative act or by omission by the Subrecipient or by the Subrecipient's officers, agents, employees or contractors. The foregoing indemnity includes, without limitation, all costs of removal, remediation of any kind, and disposal of such Hazardous Substance (whether or not such Hazardous Material may be legally allowed to remain in the Property if removal or remediation is prudent), all cost of determining whether the Property is in compliance and causing the Property to be in compliance with all applicable Environmental laws, all costs associated with claims for injunctive relief, damages to persons, property, or natural resources or economic loss, and the County's reasonable attorneys' and consultants' fees and court costs.

22. **Suspension or Termination of Agreement.**

With the exception of certain advances, payments will be made for eligible expense actually incurred by the Subrecipient, and not to exceed actual cash requirements. Payments will be adjusted by the County in accordance with advance fund and program income balances available in Subrecipient accounts. In addition, the County reserves the right to liquidate funds available under this contract for costs incurred by the County on behalf of the Subrecipient.

4. Performance Reports

The Subrecipient shall submit Performance Reports to the County in the form, content, and frequency as required by the County.
D. **Procurement**

1. **Compliance**

The Subrecipient shall comply with current County policy concerning the purchase of equipment and shall maintain inventory records of all non-expendable personal property as defined by such policy as may be procured with funds provided herein. All program assets (unexpended program income, property, equipment, etc.) shall revert to the County upon termination of this Agreement.

2. **OMB Standards**

Unless specified otherwise within this Agreement, the Subrecipient shall procure all materials, property, or services in accordance with the requirements of 24 CFR 84.40-48.

2. Real property under the Subrecipient’s control that was acquired or improved, in whole or in part, with funds under this Agreement in excess of $25,000 shall be used to meet one of the CDBG National Objectives pursuant to 24 CFR 570.208 until five (5) years after expiration of this Agreement [or such longer period of time as the County deems appropriate]. If the Subrecipient fails to use CDBG-assisted real property in a manner that meets a CDBG National Objective for the prescribed period of time, the Subrecipient shall pay the County an amount equal to the current fair market value of the property less any portion of the value...
attributable to expenditures of non-CDBG funds for acquisition of, or improvement to, the property. Such payment shall constitute program income to the County. The Subrecipient may retain real property acquired or improved under this Agreement after the expiration of the five-year period.

3. In all cases in which equipment acquired, in whole or in part, with funds under this Agreement is sold, the proceeds shall be program income (prorated to reflect the extent to that funds received under this Agreement were used to acquire the equipment). Equipment not needed by the Subrecipient for activities under this Agreement shall be 9a) transferred to the County for the CDBG program or (b) retained after compensating the County [an amount equal to the current fair market value of the equipment less the percentage of non-CDBG funds used to acquire the equipment].

COOK COUNTY COMMUNITY DEVELOPMENT BLOCK GRANT PROGRAM

Instructions for Executing Subrecipient Agreements

In an effort to streamline the process of signing and executing Subrecipient Agreements, please follow the instructions below. Failure to follow instructions will cause delays in executing your Agreement.

**IMPORTANT PROCESS CHANGE:** You have received your Agreement Package via email this year. Please follow the instructions for execution below, and bring two executed copies to the Subrecipient Workshop in November. The Agreement will be reviewed immediately at the workshop for any problems or omissions.

The Subrecipient Workshops are scheduled as follows:

- Capital Improvement and Demolition Projects – Tuesday, November 14, 2017, 1:00pm to 4:00pm
- Public Service, Planning, and Economic Development Projects – Tuesday, November 14, 2017, 9:00am to 12:00pm

Both Workshops will be held on the 22nd Floor Conference Center at the Cook County Administration Building, 69 W. Washington, Chicago, IL 60602.

The Agreement Package that you received via email contains the following:

- Agreement Cover Page
- Subrecipient Agreement (14 pages)
- Exhibits A through E

**Instructions for Execution of the Subrecipient Agreement**

1) Print and execute **two** copies of the complete Agreement Package.

2) Do not remove any pages of the agreement package. Use only the agreement and exhibits sent to you by the County. Please review the agreement and exhibits. However, do not make any changes in the agreement or exhibits. If you identify any issues or errors, please let us know.

3) A Board/Council Resolution authorizing an official to execute the Subrecipient Agreement is required. A sample resolution is included later in these instructions. Two original copies of the Resolution are needed – one for each copy of the Subrecipient Agreement.
4) A Certification of the above resolution is required. A sample certification for non-profits is included later in these instructions. We assume that units of government have their own certification format. Two original copies of the Certification are needed – one for each copy of the Subrecipient Agreement.

5) Complete the entire Subrecipient portion of the signature page of the Subrecipient Agreement (page 14). The Subrecipient Official who executes the signature page must be the person authorized by the Resolution. The Attest signature and Attorney signature are also required. The only exception is for a non-profit Subrecipient who does not have an Attorney. Please be sure that all signatures are dated.

6) Complete Exhibit D in a similar fashion to how you executed the signature page of the Subrecipient Agreement in Step 5 above. An Attorney signature is not needed on Exhibit D. Again, please be sure all signatures are dated.

7) All signatures must be original signatures. Copies of any signed pages will not be accepted.

8) The corporate or municipal seal must be displayed on all signature pages. The seal is needed on the Subrecipient Agreement signature page (page 14), the Resolution, the Certification, and Exhibit D. If a non-profit Subrecipient does not have a seal, you must inform the County in writing of this fact and bring the written notice to your Subrecipient Workshop with your Agreement Packages.

9) Staple both completed Agreement Packages in the upper left hand corner. Insert the original Resolution and Certification after the Agreement signature page. Bring both completed Agreement Packages to your Subrecipient Workshop on November 14th.

10) Please review the list below, which highlights common execution problems from past years.
