Medication Take Back Day: Friday, June 11

The Loyola Medicine Opioid Task Force, in partnership with Loyola Security and the Cook County Sheriff's Department, have organized Medication Take Back Day, an event where patients, colleagues and members of the community can safely dispose of their old medications at the Loyola Outpatient Center.

Medication Take Back Day

Friday, June 11

10 am – 2 pm

Loyola Outpatient Center

Unused or expired prescription medications are a public safety issue, leading to potential accidental poisoning, misuse and overdose. Proper disposal of unused drugs saves lives and protects the environment.

Accepted	Unable to Accept
Prescription medications (including CII – CV)	Illicit drugs
Insulin vials	Liquid medications
Over-the-counter medications and herbals/"nutraceuticals"	Aerosols/inhalers
Veterinary medications	
Medication patches
