Attached is the information for the Back To School Giveaway

The Village of Maywood would like to extend a hand for collaboration for the 14th Annual Be Smart Stay in School Giveaway. We believe that we must come together in order to ensure safer and healthier community.

The purpose: This back to school giveaway is to help prepare our students for the very first day of school. We recognizes the economic troubling times that have hit homes across the community. We are joining forces with a host of community members, community organizations, elected officials and businesses to help ensure a productive school year for young people across our community. All donations are being accepted.

Please feel free to contact us to find out how you can contribute financially or with your personal time. I may be reached at (708) 261-9217

Trustee Isiah Brandon
